Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner and the Attorney discussed how newly added claim 65 should read in order that it would clearly set forth what is being claimed. The Attorney authorized the Examiner to delete 'wherein said sugar molecule or modifying group is ¹³C-labeled, and said modifying group is selected from a group consisting of digalactosyl group, a carbomoyl group, a pyrimidino group, and ethylidene group, and a benzylidene group,'. The Examiner will make the changes..
